**DID YOU KNOW?**

More than 8 million tons of plastic is dumped into our oceans each year.

Our premium outdoor furniture is made from up to 100% recycled plastic.

**MADE FROM RECYCLED (HDPE) PLASTIC**

(found in milk jugs, detergent bottles, toys, and plastic bags). HDPE plastic is strong, durable, and withstands all weather conditions.

**SUSTAINABLE + ECO-FRIENDLY**

Created using millions of lbs of bottle caps and recycled plastic that would have been destined for our waterways or the landfill. Each Adirondack chair is made from 579 milk jugs!
