A: According to the file properties, it's a Windows Installer package. So you must be using Windows, just like me. My interpretation is that you downloaded it from Google's App Store, which uses the Windows Store to download and install apps. Google's App Store doesn't allow you to download the installer, but you might be able to find one here. I don't know why the App Store doesn't let you download it. Maybe the developer couldn't provide the windows version, or the Windows Store doesn't allow sideloading. Whatever the reason may be, it doesn't matter if you want to do it on Ubuntu or Windows, you'll need the installer that Google provides. As you've searched "assassins creed highly compressed only 15mb", the correct term for "highly compressed" might have been "compressed". But I am fairly sure, since it is a.exe installer, it's for Windows. I'm a comic book collector who has become enamored with early 20th century American art. The artist Thomas Eakins is my all time favorite artist and there is a whole period of modern art history that I want to explore, because it's just fun. I like colorful hues and funny looking people. Sunday, November 4, 2012 I love this woman. To me she looks like she's about to tell you how her day went. Actually it
